Therapist / Clinician – Fully Licensed in Your State

Family & Children's Counseling Services, Inc. is looking for a fully licensed therapist (LMFT, LCSW, LPCC) to provide online therapy via our HIPAA compliant telehealth program.

This is a fully online position. The Therapist will work from a home (or wherever) office. This position might not be a good fit for someone who enjoys a traditional office setting and facetime with colleagues.

This position is responsible managing referrals, conducting assessments, creating treatment plans according to client need, and providing services according to Company standards of quality and professionalism.

Must meet qualifications and pass background check, according to law - see details below.

RESPONSIBILITIES:
• Maintain good standing with their licensing Board regarding License status or Associate registration
• Follow legal, ethical guidelines as determined by specific licensing profession, including compliance with HIPAA laws
• Meet with clients online, providing excellent therapeutic services via our telehealth system
• Submit clinical notes and other necessary documentation according to Company timelines
• The Company's focus, image and marketing is primarily children, teens and families, but Clinician may choose to provide services to populations of their choice
• Must be willing to work in an independent and responsible manner, as Clinicians will work from their own home location and are able to set their own schedule
• Client referrals will be given, but no minimum number of client contact hours is guaranteed
• Must be (or become) registered with CAQH
• Must be committed to a balanced, whole-person, always-learning approach to self and other
• Maintain confidential client files utilizing HIPAA compliant electronic methods

WORKING CONDITIONS:

While performing job duties, the employee/ IC may be sitting, standing, reaching and documenting via electronic methods. The employee will be responsible for following HIPAA and other applicable laws regarding Teletherapy.

This position requires the ability to communicate with clients. Reasonable accommodations may be made to qualified employees to assist them in performing job duties. Please notify hiring manager if you need accommodations.

QUALIFICATIONS:

• Master's degree in the behavioral health or social work field
• Licensed registration with a behavioral health Board within your desired State of practice (LMFT, LCSW, LPCC)
• Must pass background check in compliance with federal and state laws
• Willingness to see a minimum average of 5 clients per week
• Desire to contribute to Company positive reputation and success
• Mandated Child Abuse Reporting Certificate (or willing to be trained)
• Have a demonstrated ability to work independently and as part of a team
• Be physically and mentally capable of interacting with client population
• Be physically and mentally capable of handling potentially emotional and/or stressful situations
• May conduct sessions in any language in which Clinician is fluent
• Ability to communicate in English- verbal and written skills (for documentation and other business-related matters)
• Bi-lingual encouraged to apply
